Directory

of the

Alumni

of the

Saint Cloud State Teachers College

for the years

1871-1940

## Greetings

We of the St. Cloud State Teachers College are very grateful to acknowledge our indebtedness to Miss Blanche Atkins and the many Alumni who have contributed so generously of their time and effort to make this directory possible.

How happy we are to have a record of the members of our large family who live in all sections of this country and even in other parts of the world. We are confident that this achievement of the Alumni Association is but one of a succession of many that will be helpful to all of us. We also hope that every graduate who sees this directory will become permanently affiliated with our Alumni Association.

All of us at the college extend to you our very best wishes.

George A. Selke,  
President.

---

Greetings and gratitude to the very many of you whose happy co-operation has made the compilation of this tome possible. We know it is still incomplete and contains many errors because teachers are mobile and girls change their names. We trust that you will send corrections and additions.

As you have helped in the compilation or as you now look through the names, I know that the renewal of friendship and the realization of the accomplishments of fellow-alumni, make us all more proud of our school and appreciative of the extent of its influence for good.

May you all have continued success and joy as you carry on the high traditions of the old St. Cloud "Normal" Teachers College,

Cordially,  
B. E. Atkins, Alumni President, 1940

*Geo. A. Selke*

### *Dedication*

O Miss Gertrude Campbell who served under five presidents as registrar, secretary, librarian, accountant, and alumni recorder during the years 1892-1931.

Counselloress and friend, she gave practical advice, vision and courage to hundreds of the alumni whose names are in this book.

ST. CLOUD STATE TEACHERS  
COLLEGE HYMN

VERSE ONE

Sing in praise to Thee, Our College,  
High on oak-crowned banks,  
Emblem of our search for knowledge,  
Symbol of our youthful ranks.  
Filled with fires of true ambition,  
Let us ever be;  
Loyal to thy fine tradition,  
Hail St. Cloud T. C.

VERSE TWO

By the river's flowing waters  
O'er its islands fair,  
May thy loyal sons and daughters  
Thy enduring friendship share.  
May they with sincere ambition  
Through the years e'er be  
Loyal to thy fine tradition,  
Hail St. Cloud T. C.

Words by Committee from  
English Department  
Music by Harvey R. Waugh
